

MIKE SARRICA ON SUPPLIER DIVERSITY

At DRS Tactical Systems, Inc. we are committed to Supplier Diversity as a core business strategy. This commitment enables us to expand our markets and strengthen our capabilities and partnerships with our customers. We also understand that companies who actively embrace Supplier Diversity and demonstrate their commitment can establish a competitive advantage.

DRS Tactical Systems recognizes that subcontracting is often the springboard that small businesses need to get started in the Federal Market. We believe in building partnerships with all categories of small businesses.

Because it makes good business sense, we will actively seek Small Businesses who share our high standards of quality, service, timeliness and safety at a competitive cost. We are confident that, by broadening and enhancing our relationships with Small Business, that we will ensure continued success of our Supplier Diversity Program.
